NEW ADDRESS

Dear Harold,

Here's my analysis on LHO  
in Mexico as found in the HSCA  
Report. I hope you find it useful.

As Jim may have told you,  
the CIA has moved for a third  
time extension to answer my  
appellant brief. I have filed  
an opposition to the last extension.

Hope things are going well  
with you. I certainly would appreciate  
any comments you might have on  
my Mexico analysis.

By the way, Gary Shaw of  
Cleburne, Tx has come up with an  
interesting idea - that OT/WIN  
may have been in Dallas on 11/22. I  
have become very interested in this.  
If you want further details, let me  
know.

Best wishes,  
Mark
